

Alma viajera

Alma viajera is a duo/trio/quartett founded by the pianist Manon Mullener from Fribourg and the singer Esrin Sossai from Lucerne. Accompanied by David Stauffacher on percussion, and Rodrigo Aravena on bass, they explore classic pieces from various cultures of the Americas and Andalusia, reinventing them and transporting listeners into a warm and melodic sound world. Nostalgia, love stories, and a touch of magic await you for a latin-jazz evening filled with deep emotions.
